

TechCorp Employee Handbook

Chapter 1: Company Culture

TechCorp values innovation, transparency, and collaboration. Every employee is encouraged to dedicate 20% of their time to experimental projects. Our annual hackathon, TechFest, takes place every September in Austin, Texas.

Chapter 2: Benefits

Full-time employees receive comprehensive health insurance including dental and vision. The company matches 401(k) contributions up to 6%. Stock options vest over a 4-year period with a 1-year cliff. Unlimited PTO is available after the first year of employment.

Chapter 3: Professional Development

Each employee has a \$3,000 annual learning budget for conferences, courses, and certifications. Tuition reimbursement up to \$10,000 per year is available for degree programs. Internal mentorship programs are available for all levels.

Chapter 4: Code of Conduct

All employees must complete annual ethics training. Conflicts of interest must be disclosed to HR within 30 days. Violation of the code of conduct may result in disciplinary action up to and including termination.
